

HELLO tHere!

My name is *Emily Dunys* and I am ecstatic to be your child's kindergarten teacher for this 2018-2019 school year here at Kinder Haus!

TEACHING BACKGROUND

This will be my sixth year as a teacher! I graduated from Messiah College in Harrisburg, PA with a degree in Elementary Education and Special Education. After graduating from college, I moved to Accra, Ghana. While there, I taught Special Education for two years, followed by Second Grade for two years. After returning to the United States, I began working at Kinder Haus in the Tweeny classroom. After spending some time in the toddler department, I moved up to Pre-K B in January 2017. I am excited to begin teaching Kindergarten for the 2018 school year.

A FEW OF MY FAVORITE THINGS

Colors: blue and green (and purple!)
Foods: brownies,
Drinks: Coffee, coffee, and more coffee!
Favorite children's book: Elephant And Piggie
books by Mo Willems
Hobbies: sewing, reading, crafting, playing
with my 16 month old son
Restaurant: Anything with seafood

If you are unable to speak with me at pick up or drop off, please feel free to leave a note on my desk and I will get back to you as soon as I can.

A few notes about Kindergarten:

- Kindergarten is a full day program. We do NOT have naptime. A copy of the schedule is enclosed.
- Your child will need a change of clothes to keep in their locker. Please make sure it stays updated throughout the year.
- Please remember to check your Kinder Haus handbook and Calendar for upcoming events. Reminders, sign ups, and other important information will also be posted by the door so please check that area as well. The monthly classroom newsletter will also keep you up to date on classroom news.
- Show and Tell will be on Fridays. Please only bring toys on Friday.
- We will be checking ID's when you pick up your child until we get to know all the parents. If someone different than normal is picking up your child, please remind them to have their ID on them. I know it can be inconvenient, but it is for the safety of your child.
