

Welcome to 1st -3rd!

Before & After School Care

Dear Parents and Students,

It's that time again! Welcome to the 2021-2022 school year! I hope everyone's summer was filled with excitement and adventure! I, Taylor Ortlip-Wilson, will be your child's lead teacher! I have been at Kinder-Haus now for 3 years. I have been a lead teacher in the before and after school program for almost 2 years now. My main goal is to have a safe, fun, and learning environment for your child/ren. We will be doing lots of crafts, as well as stem activities throughout the year. We have about 20 to 30 mins devoted to bible devotions every morning before school.

Breakfast will be served in our room from 7:15-7:45 AM. Everyone that is here before 7:45 will be served breakfast. If your child/ren will be arriving after 7:45 please feed them breakfast at home.

In the afternoon, children will have the opportunity to do homework. If they do not have homework, a quiet activity will be provided for them. A small snack will be provided for your child/ren.

As a school age department, we are asking that the children NOT bring in any toys from home. Special toys should be kept at home so nothing becomes broken or lost. We also do not allow electronic devices, so please leave tablets, IPADS, video games, and cell phones at home. Important paperwork/memos will be sent home and can be found in your child's mailbox located inside the room. Please make sure you have signed up for the Remind App. Important messages and communication is used through this app.

I look forward to another fantastic school year, and getting to know you and your families! See you soon!

Taylor Ortlip-Willson
