

Welcome Kindergarteners!!

Dear Parents and Students,

Welcome to the 2021-2022 school year. My name is Colleen Davies and I will be your child's teacher for before and after school care at Kinder Haus. I have been an early childhood educator for 12 years now, and 11 of those years have been here at Kinder-Haus. Everyday we will have organized activities, crafts and games planned for before and after school. We will have outside playtime on the playground or gym time depending on the weather.

Mornings:

Breakfast will be served in our classroom every morning between 7:15-7:45. We serve two cereal options everyday. If your child needs breakfast, they need to arrive **BEFORE** 7:45, otherwise please feed them before they arrive. I will dedicate about 20-30 minutes each morning before school for bible devotions where I can share the word of God. We will pray together and prepare to do our best each day!

Afternoons:

When your child arrives at Kinder Haus in the afternoon, they will have the opportunity to work on their homework. If they do not have homework, quiet activities will be provided. A small afternoon snack will be provided for your child.

As a school age department, we are asking that the children **NOT** bring in any home toys to be played with while at Kinder-Haus. Special toys should be kept at home so nothing becomes broken or lost. We also do not allow any electronic devices, so please leave tablets, IPADS, video games & cell phones at home. Please check your child's locker in the classroom for any important papers/ memos that need to go home. If you have any questions or concerns please feel free to ask or contact me on the Remind app.

I am so looking forward to this school year and getting to know you and your child. See everyone on the first day, Monday, August 30, 2021!

Ms. Colleen Davies
